

Sunday, May 14, 2023	
08:00 – 09:00	Registration and networking
09:00 – 11:00	Attend the opening session of the 12 th edition of the GPCA Plastics Conference
11:00 – 11:30	Networking break
11:30 – 11:35	Welcome to the 18 th Leaders of Tomorrow program
11:35 – 11:50	Opening address by Dr. Abdulwahab Al Sadoun
11:50 – 12:05	<p>Re-imagining the Future of Plastics In this session, an industry leader will highlight the role of sustainability in re-shaping the future of plastics within the chemical industry and how the youth can contribute to the same.</p> <p>Mutlaq Al-Morieshed, CEO, Tasnee</p>
12:05 – 12:15	Q&A
12:15 – 12:30	<p>Thriving in the Chemical Industry: Essential Skills and Strategies for Success In this session, an inspiring industry leader talks about her career journey in the chemical industry and shares tips and tricks with the leaders of tomorrow to build a long-lasting successful career in the industry.</p> <p>Nadia Al Hajji, CEO, PIC</p>
12:30 – 12:45	Q&A
12:45 – 13:45	Networking lunch
13:45 – 15:00	<p>CIRCUL-A-THON: A Design for Circularity Exercise Industrial Design is an important step in the Plastics Application Development process. Linking this with Design for Circularity as a pillar of SABIC's TRUCIRCLE offerings, an exciting, externally-focused and innovative activity is initiated under the name "CIRCUL-A-THON".</p> <p>CIRCUL-A-THON is a challenge whereby SABIC invites creative individuals (including students) to participate in. We call upon participants to brainstorm visionary application designs that exhibit features of reuse or recyclability in 4 segments/industries (Packaging, Healthcare, Electronics and Auto/Transportation).</p> <p>Omer Alparslan, Director of Corporate Partnerships / PSM, Plug and Play Geert Schellekens, Chief Designer, SABIC</p>
15:00 – 15:30	Networking break
15:30 – 17:00	CIRCUL-A-THON: Organized by SABIC, Plug and Play
19:30 – 22:00	Dinner and CIRCUL-A-THON Awards Ceremony
Monday, May 15, 2023	
9:00 – 12:30	<p>Site visit to Dhahran Techno Valley Science Park</p> <p>A site visit to the renowned Dhahran Techno Valley Science Park, where the students will have the opportunity to experience innovation and technology development and deployment in energy, sustainability and beyond.</p>
12:30 onwards	Lunch at the 12 th GPCA Plastics Conference
